# 2016 Big Table Farm Cattrall Brothers Vineyard Pinot Noir

190 cases produced
unfined and unfiltered
label – 1947 Ford, CBV Truck
release date: August 28, 2018

We have worked with the same block from Tom
Cattrall's vineyard for eight years now which sits high
in the Eola-Amity hills, and is one of the coolest sites
we work with. The own-rooted Wadensville clone
vines have been organically farmed from the early 70's when the site was planted. We process
the fruit with a hands off approach that reflects the ethos of the farming.

tasting notes — This is a graceful, fragrant wine dominated by bright aromas of strawberries,
tart cherries and pine forest earthiness. The first sip reveals a light and delicate weight with
incredible complexity and depth. The flavors form a lacy tapestry of red plum, strawberries and
pomegranate with white pepper, cumin, lilacs, soil and fresh rain. Firm, ripe tannins build on
the lengthy finish of concentrated flavors.

big table farm is the collaborative effort of brian marcy and clare carver
- we are a winemaker and an artist, we grow and produce what we love to eat and drink -

In 2006 we moved to Oregon from Napa, where Brian had been making wine for ten years. We started
with a dream and made our first 150 cases in 2006.

Our Farm
We own and manage 70 acres in the northern Willamette Valley, where we raise animals and produce
seasonal vegetables. If you visit us, you'll find free-range hens, pasture-raised pigs and grass-fed cows. We
are building a managed intensive grazing system of farming that builds our soil, sequesters carbon, and
moves us towards a healthy, sustainable and diverse farm.

Our Labels
The art on our labels is drawn by Clare and is unique to each vintage. The labels themselves are made by
hand using a letterpress and thick printmaking paper. After each label is applied by hand we carefully
wrap each bottle in tissue to preserve the letterpress paper's texture and beauty. There is a product code
on the bottom of each bottle so you don't have to unwrap them to identify the wines.
